

Dear Future Third Grader,

Hi! We are so excited about having you with us in Third Grade. We are going to have so much fun (and learn lots of things, too)!

To help you prepare for a great year, there are a few things we need you to do this summer!

- As incoming third graders, you will be required to read one of the summer reading novels we have selected. We have chosen a variety of books for you to choose from. Along with reading the novel, you will be completing a creative project! Please see the attached page for more information. Optional: Complete the reading log for books you have read this summer!
- For summer math enrichment, listed below are skills and apps/websites to visit as a fun way to reinforce the skills from your second grade year. Of course, there's nothing wrong with old fashioned flash cards! Our desire and strong encouragement to all our students is to spend a little time each day reviewing and practicing, to retain your math skills – and start next year off strong!
 - Money Counting
 - +/- facts (Memorize addition and subtraction facts to 18)
 - Clock Practice

ToDo Math - Has most of the skills for each grade level and is highly recommended. It does have a subscription cost.

ABCya.com - Has most of the skills for each grade level with multiple price points. Free – paid option

We know you will have a wonderful summer and we can't wait to see you in August!!

The Third Grade Team

Welcome to 3rd grade where we love reading! We want you to enjoy your summer with a good book. We would like for you to read **one** book from the included list of books. Then, choose **one** assignment and complete it before returning to school in August. Please be prepared to present your project and convince the class to read your book! We hope you have an adventurous, reading-filled summer, and we look forward to seeing you in August!

The Third Grade Team

SUMMER BOOK CHOICES

1. *The Littles* by John Peterson
2. *Freckle Juice* by Judy Blume
