

Bookworm Book Club

Kindergarten - Second Grade

Dear Parents,

Your child is invited to come to **Bookworm Book Club** where they will join Mrs. Gillett and Mrs. Mishall for a great story, yummy snack, and fun STEM activity or craft. If you are new to the school, or don't remember what goes on in **Bookworm Book Club**, let us explain. Each time we meet, we will read a book together, have a snack, and create an art project or complete a STEM activity that relates to the book. For example, if we read a book about the beach, we might do a project or an activity with sand and water. We also might try to make a snack around the theme.

Bookworm Book Club will be held on Thursdays after school until 4:15 pm when the children will be taken to car-line or aftercare. The cost per month is \$40 and includes all snacks and activity materials. We will NOT have **Bookworm Book Club** for one week in September, November, and December.

If you are interested in having your child join in all the fun, please fill out the form below and *your account will be billed*. We have a limited number of spaces available so please return the form soon.

Thank you,
Mrs. Gillett and Mrs. Mishall
