Our lessons are not one-size-fits-all. RK Music Studio teachers tailor their lessons to the unique learning style and interests of each student. Every lesson includes tutoring in the basics plus learning songs the student is especially interested in. Positive parent and peer feedback is an important part of learning music so we encourage participation in our recitals but this is completely optional. The focus of all lessons and recitals is to foster a love of music and help every student achieve their best potential as a musician.
