

# AttackBots Robotics: Beginner Coding

In this exciting class, students will build a variety of military inspired robotic models. Children will learn about multiple engineering concepts such as sensors, gears, and pulleys all while using the LEGO® Education Coding program to program their robots to perform different tasks. Fun robotics builds include catapults, crossbows, battleships and much more!

**Tuesdays: Sep 13th - Oct 18th**  
**Time: 3:15 pm - 4:15 pm**  
**Grades: 3rd-6th**  
**Price: \$90 - 6-weeks**

**WHERE:**  
LCC Day School
