I am pleased to inform you that LCC Day School has been officially recognized by NOAA's Office of National Marine Sanctuaries as a

NOAA Ocean Guardian School, **Year 1.**

On behalf of the Ocean Guardian School team, our sincere appreciation for all you are doing to energize and empower your school community to protect the health of our blue planet.

As Youth Poet Laureate Amanda Gorman so poignantly expresses in "Ode To Our Ocean",

*Being the people of this blue planet is our most
Profound privilege and power,
For if we be the ocean's saviors,
Then it is surely ours.*

Congratulations!
